MEMOIR
OF
A
GEISHA
ARTHUR GOLDEN

The illustration features a stylized geisha's face in the background, with large, expressive eyes and a serene expression. The face is rendered in a light, ethereal style. In the foreground, there are several stylized flowers in shades of blue and purple, some with dark outlines and others with lighter, more delicate petals. The overall design is elegant and evocative, capturing the essence of the book's setting and characters.
